WORDS FROM DIRECTORS

Rebecca Cheryl

Muhammad Ilham Alfarisi

As Project Directors, we aim to help incoming Indonesian students feel at home — not just at NUS, but in Singapore as a whole. Having once been in their shoes, we understand the challenges of adapting to a new country and university life.

Our program supports a smooth, holistic transition by easing cultural integration and fostering meaningful peer connections.

To make this possible, we seek your support. We warmly invite you to join us in welcoming Indonesian freshmen to Singapore. We believe our collaboration will create a meaningful event and connect your brand with a vibrant student community.

On behalf of the PINUS community, thank you for your attention. We look forward to a valuable partnership.

Warm regards,
Rebecca Cheryl & Muhammad Ilham Alfarisi
